

Innovations Peer-Review Process

Summary for the Selection and Development of Manuscripts

CALL FOR PROPOSALS ANNOUNCED JULY 15

PROPOSAL CONSIDERATION (SEPTEMBER-OCTOBER)

- Proposals due by October 5
- Editorial staff and consulting editors review all proposals according to:
 - » Proposal criteria
 - » Proposal originality
 - » Proposal strength overall
- Editorial staff and consulting editors collaboratively select proposals to advance to manuscript development
- Editorial staff notifies submitters by mid-November of proposal selections

MANUSCRIPT DEVELOPMENT (NOVEMBER-DECEMBER)

- Authors at work on manuscripts
- Manuscripts due by January 15

MANUSCRIPT CONSIDERATION (JANUARY-JUNE)

- Editorial staff and consulting editors collaboratively select manuscripts to send for review by mid February
 - » One consulting editor and two reviewers will review each manuscript
- Reviewers and consulting editors submit a review of manuscripts in early April
- Editorial staff and consulting editors discuss reviews and collaboratively select manuscripts for publication in peer-reviewed issue by end of April; final decision may be postponed until end of May depending on revisions completed by the authors.

MANUSCRIPT PUBLICATION (JULY-AUGUST)

- Editorial staff edits and prepares accepted manuscripts for publication and sends to authors for review
- Authors complete author publication documents
- Consulting editors draft introduction and reflections for issue
- Issue published in early September

NOTE:

1. Previously published manuscripts will not be accepted
2. More than one proposal from the same author group will not be accepted
